Dear Community Partner:

On behalf of the members of the Junior League of Dallas and the Provisional Project Committee, I invite your agency to apply for a Provisional Project to take place in the fall of 2010 or the spring of 2011.

The Provisional Project Committee will select a variety of projects to meet the needs of our community, our agencies and our volunteers.

A proposed project should:

- Provide Provisionals (first year volunteers) with the opportunity for community involvement
- Focus on an agency need that might not otherwise be addressed
- Be completed by a group of at least 25 Provisionals in approximately 20 hours (generally concentrated over a weekend, consecutive days/evenings, consecutive Saturdays, etc.)

Successful past Provisional Projects include: the design and painting of murals; painting and general repair work; planting gardens; the planning and execution of non-fundraising carnivals and special events; refurbishing playgrounds; and providing enrichment through music and crafts. Please feel free to propose a project that meets these criteria but is not on the project ideas list that is included in the application packet.

You can find the Provisional Project Application on www.jld.net under Provisional Project on the left side of the Home page. Please complete the form and return it by mail or fax no later than Monday, March 29, 2010. The Junior League fax number is (214) 357-4699. You are welcome to e-mail me if you would like to receive the form electronically. Once we receive your request, a coordinator will contact you to begin researching your project (likely in April).

Feel free to contact me at (972) 955-6173 or leonabarnes@yahoo.com with any questions about the application process.

Sincerely,

Leona Barnes
